### **Peterborough Police Services Board Embarks on Development of the 2024-2027 Strategic Plan**

The Police Services Board is pleased to announce that consulting firm Strategy Corp (<https://strategycorp.com/>) has been chosen to support the Board in the development of its 2024-2027 Strategic Plan. It is a requirement of the Police Services Act for every Police Services Board to create a Strategic Plan. The Plan will guide the Board and assist the Chief in determining the direction of the Peterborough Police Service over the next four years, and we will be seeking public input to help identify key objectives, goals and priorities, and how we will measure success.

Over the coming months, the Board will work closely with Strategy Corp as they embark on a comprehensive consultation process, facilitating conversations with a wide range of both external and internal stakeholders in the City of Peterborough, Lakefield and Cavan Monaghan. This input will be invaluable to us. We want to ensure that the next Strategic Plan is one that meets the unique public safety and policing needs of both our employees and the communities we serve.
