Peterborough, ON --

Release Time	17:15
Location	Television Road
Incident	Structure Fire
Reference #	25562230
Estimated Damage	500 000
Injuries	0

At 10:31 hours this morning Peterborough Fire Services responded to the report of a house on fire. All occupants were out of the house prior to the arrival of PFS. Through a coordinated effort, one crew entered the fully-involved structure in an effort to knock down the fire while a second crew extinguished fire accessible from the exterior of the structure. Prior to extinguishment the house sustained major damage.

The cause of the fire is currently under investigation by both the Peterborough Fire Services Prevention Division and the Ontario Fire Marshal's Office.
