The Peterborough Police Services Board is very pleased to announce that Bob Hall has been elected to the Board of Directors of the Canadian Association of Police Governance (CAPG).

Mr. Hall was also elected by his peers as the Treasurer of the Executive Committee. These elections occurred at the recent CAPG Conference and AGM in Calgary. The directors are elected by the membership and represent the various geographic regions in Canada.

Bob Hall is the citizens' appointee to the Board and the Chair of the Budget/Finance Committee. We are very proud that Bob has been elected to serve on the national board and believe this is the first time a board member from Peterborough has served in such a prestigious role.

The CAPG is the only national organization dedicated to excellence in police governance and represents 75% of municipal police services in Canada. For the past 30 years, they have worked to achieve the highest standards of civilian oversight for municipal police.

We are certain that the CAPG will benefit from Mr. Hall's knowledge, experience and expertise.

Sincerely
