Mayor Diane Therrien Mr. Bob Hall Mr. Les Kariunas

August 19th 2020

In May of this year, the Peterborough Police Services Board, in closed session, received an offer for the donation of an Osh Kosh Sandcat light armoured vehicle. The donor requested that the donation remain anonymous. The Board agreed to accept the donation and to keep the identity of the donor anonymous as per their request. The Board was informed this afternoon that the donor has confirmed their identity to the media.

"As a small Service and smaller community with a limited budget we were very thankful for the donation from one of our partners in Emergency Preparedness. We are also grateful that they have decided to come forward and relieve the Peterborough Police Service and the Police Services Board of the requirement they remain anonymous. The gift will help to keep our community safer," says Peterborough Police Chief Scott Gilbert.

The Board and Service are pleased with the donation of the light armoured vehicle.

Sincerely

Gary Baldwin, Chair

Scott Gilbert, Chief of Police
