Guidelines Provided by Council

- That the increase in the Police Services portion of the draft 2020 Operating Budget reflect no more than the Operating portion of the Net Tax Levy increase (estimated 2.78%).
- Any increase in the net Police Services budget beyond this figure be addressed by Council as part of the detailed 2020 Budget deliberations to occur in January of 2020.

Operating Budget Drivers 2020 and Beyond

- Those who are detained must now have a mandatory review of their detention after 90 days for indictable conviction offences and 30 days for summary conviction offences
